Georgia Association of Environmental Professionals

Dear GAEP Sponsor,

The Georgia Association of Environmental Professionals (GAEP) was founded in 2004 as a state chapter of the National Association of Environmental Professionals (NAEP). The GAEP is a non-profit multidisciplinary association for professionals dedicated to the advancement of the environmental profession in the state of Georgia. The GAEP seeks to advance professionalism among Georgia's environmental practitioners by promoting a holistic understanding of environmental issues by creating forums for the discussion, providing multidisciplinary continuing education, sharing innovative solutions, and developing relationships with other environmental professionals in Georgia and nationwide.

As part of our outreach, GAEP sponsors a yearly scholarship program, where a monetary gift of $1,000 is made to a well deserving undergraduate student attending a Georgia university or college and who seeks future employment within the environmental realm. 2018 will be our 7th annual scholarship award. Our scholarship program is funded in great part by our yearly golf outing and depends on the generosity of the environmental professional community. **We are writing to invite your business to donate an item, gift certificate, or monetary donation for the outing, the 5th Annual GAEP Golf Scramble.**

Environmental Professionals from across the state will attend this golf outing. These professionals are involved with regulatory authorities, transportation, consulting, law, remediation, mitigation, and all aspects of the environmental community. We will be providing goodie bags at the outing to ensure the success of the event. All donated items are donated by businesses like yours - as well as by members of the GAEP community.

The golf scramble is the biggest fundraising event of the year for the GAEP and will take place on Monday, September 24, 2018 at Heritage Golf Links in Tucker, Georgia, from 1 to 6 pm. As a sponsor, your business will be recognized on all promotional materials received by the participants of the event. Your donation will also be acknowledged at the event.

Please know that all contributions you make will positively impact students reaching for the lofty goal of multi-disciplinary excellence in the environmental field. Please contact Karen Trujillo to discuss your sponsorship. Otherwise, we will follow up with you within the next two weeks. Thank you for your thoughtful consideration of our request.

Sincerely,

David Bell

GEORGIA ASSOCIATION OF ENVIRONMENTAL PROFESSIONALS

5th Annual Golf Scramble
Scholarship Fundraiser
September 24, 2018
Heritage Golf Links
4445 Britt Road
Tucker, GA 30084

The Georgia Chapter of the Association of Environmental Professionals (GAEP) is excited to announce its 5th Annual golf scramble to be held at the Heritage Golf Links in Tucker, Georgia, on **September 24, 2018**. Originally opened in 1996 as "Heritage Golf Club," the golf course was nominated that year as one of the "Best New Golf Courses in America" by Golf Digest magazine. Today, the golf club still boasts one of the highest slope ratings in Georgia. The golf course is designed around a 20-acre lake, with water in play on several holes. The course's rolling terrain and dramatic elevation changes provide stunning vistas. The course and event are open to golfers of all skill levels!

You may sign up as an individual or with your own foursome (see next page for pricing details). Each golfer's registration includes green fees for 18-hole course, golf cart, snacks, dinner, prizes, and free green fees on a return visit. Sponsorship opportunities are available. Details can be found on the following page. Funds collected from players and sponsors will be applied towards the annual GAEP scholarship program to assist a student at a Georgia college or university studying an environmental field. Any contributions of prizes or gifts from your business would be welcome and appreciated, as well. For the last three years we have raised enough funds to sponsor one undergraduate student and our goal is to be able to sponsor two students in the future.

We are looking forward to your participation!

SCHEDULE:

12:00 PM:	Registration
1:00 PM:	Tee off
5:30 PM:	Dinner and Awards Gathering
(or when everyone finishes round)	

PRIZES: 1st, 2nd, 3rd, and Last Place Teams
Longest Drive
Closest to Pin
Hole in One

Registration forms and payment must be received by **September 17, 2018**.

SPONSORSHIP OPPORTUNITIES

Over the past few years, the GAEP has presented an open forum in the environmental community to establish the exchange of ideas and technology applicable to our field. Our Association reaches many realms in the professional community, such as environmental consulting, construction and technology, regulatory agencies, environmental law firms, insurance and real estate. As an extension of our purpose, we are utilizing this annual golf scramble as a scholarship fundraiser to assist future environmental leaders reach their education goals. We want to provide you with an opportunity to help our cause and gain valuable exposure to our members. The **5th Annual** GAEP Golf Scramble will be held **Monday, September 24, 2018**, at Heritage Golf Links.
